1. Boys & Girls Staters. Row 1. W. Stone, R. Franek, J. Draper, M. Denton. Row 2. G. Fuller, J. Calloway, D. Lanhman. 2. Alternate Staters. Row 1. T. Hoahaw, N. Ives, M. Wilmot, T. Phillips. Row 2. B. Smothers, R. Strasser, J. Scott, J. Biaghler. 3. Junior Rotarians. Row 1. T. Phillips, T. Hoahaw, B. Smothers, P. Ketley, R. Warren, W. Stone, M. Denton. Row 2. G. Fuller, J. Biaghler, J. Scott, B. DeWitt, M. Edging, R. Strasser, M. Minix, E. Brumbaugh, R. Wise.

What or who are Staters? Staters are seniors who have been chosen by the local American Legion Posts to represent them at Hoosiers Boys and Girls State on the Indiana State University Campus. While there they participated in many political activities that may help them in the future. A worthwhile honor!

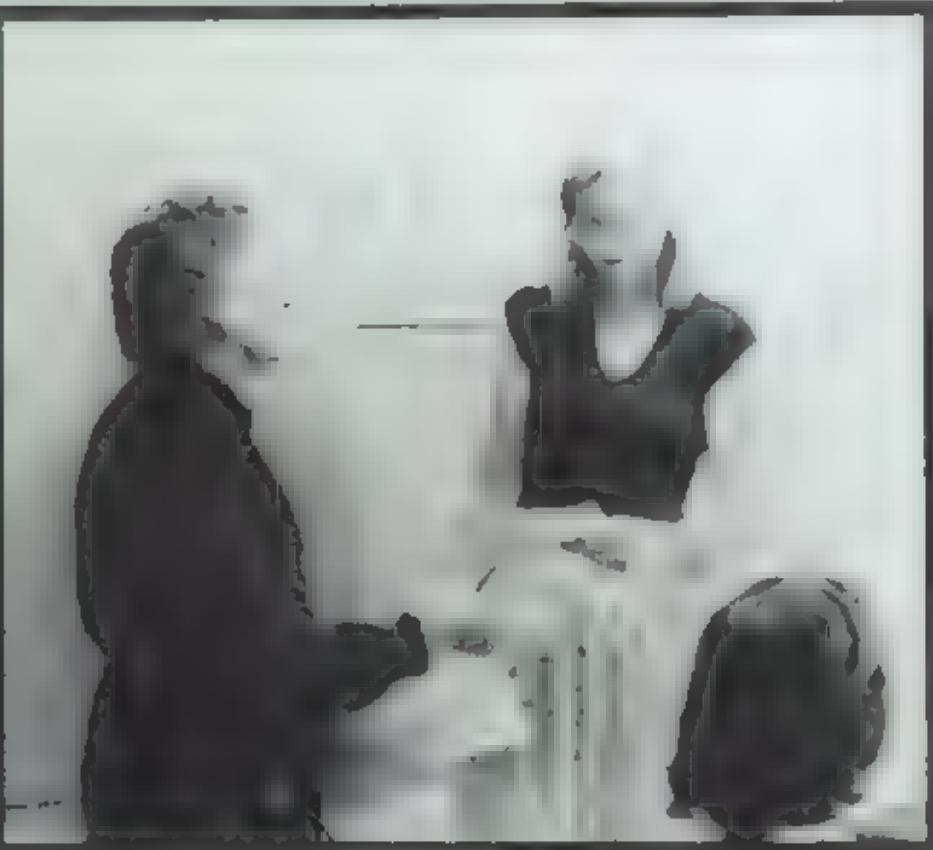

Another distinct honor was

to be chosen as a Junior Rotarian. Each month two young men were selected to attend the Tuesday luncheon sponsored by the Delphi Rotary Club. After the luncheon they listened to speeches that usually concerned them or their community. Through this, the Junior Rotarians would learn much about his society.

# SENIOR SOPHISTICATES

We, the seniors, are the #1 class — we've  
struggled 12 long years and we're here at last!  
We've lived our dreams from the start, but the  
time is nearing when we will part.  
Some will go to college — some will leave the state —  
some will get married — oh, boy, we can't wait!  
Life may take us far from our friends, but we'll always  
have our memories no matter where the rainbow ends.  
I know I'll always remember — and so will you —  
everyone in the DCHS Class of 1982.

On Sunday, May 23, 1982, many joyous but teary-eyed students anxiously waited in the Commons to get ready to receive their diplomas. This was it ... **GRADUATION DAY!** As the soon to be

"alumni" of DCHS marched down the aisle, a feeling of accomplishment was felt by all.

Valedictorian Lisa Jenkins spoke on the theme **Full Steam Ahead** while

Salutatorian Miriam Robeson's address was **Mission Accomplished.**

The class song, **Times of Your Life** was sung by Juniors Phillip Johns and

Regina Stovall. Members of the Class of 1982 went forward to receive their

diplomas while remembering the past and looking forward to the future. Proud parents, friends, and teachers looked

on as diplomas were presented. The strains of Verdi's "Triumphal March" began and each new graduate marched proudly from the school. The class

motto — **OUR PAST TIMES WILL ALWAYS BE OUR BEST TIMES** — was to be remembered by each.

With the guidance of Mrs. Carol Wolfe and Mr. John Beach, the class of '82 finally made it! The graduating seniors now face the world squarely and have to start a

relatively new life.

It seems like only yesterday that they first started elementary school and met all those new kids. Twelve years later friendships and bonds have been made that will never be broken. Being a senior is

a time of both sadness and joy.

Sadness of soon departing with your friends and surroundings; Joy of going out and making your own life.

# Moments To Remember

**THESE ARE THE  
“BEST OF TIMES”**

After months and months of planning, the Juniors finally realized how well they had prepared for the 1982 Junior-Senior Prom. The D.C.H.S. Commons, decorated

with night scenery, made May 8, 1982 a very special “Moment to Remember”. The band, Riff Raff, which made many dancers fill the floor, turned out to be a great success. For King Garry Fuller, Queen Kristi Campbell, Prince Brain Wood and Princess Susan Overholser, the

prom held special meaning.

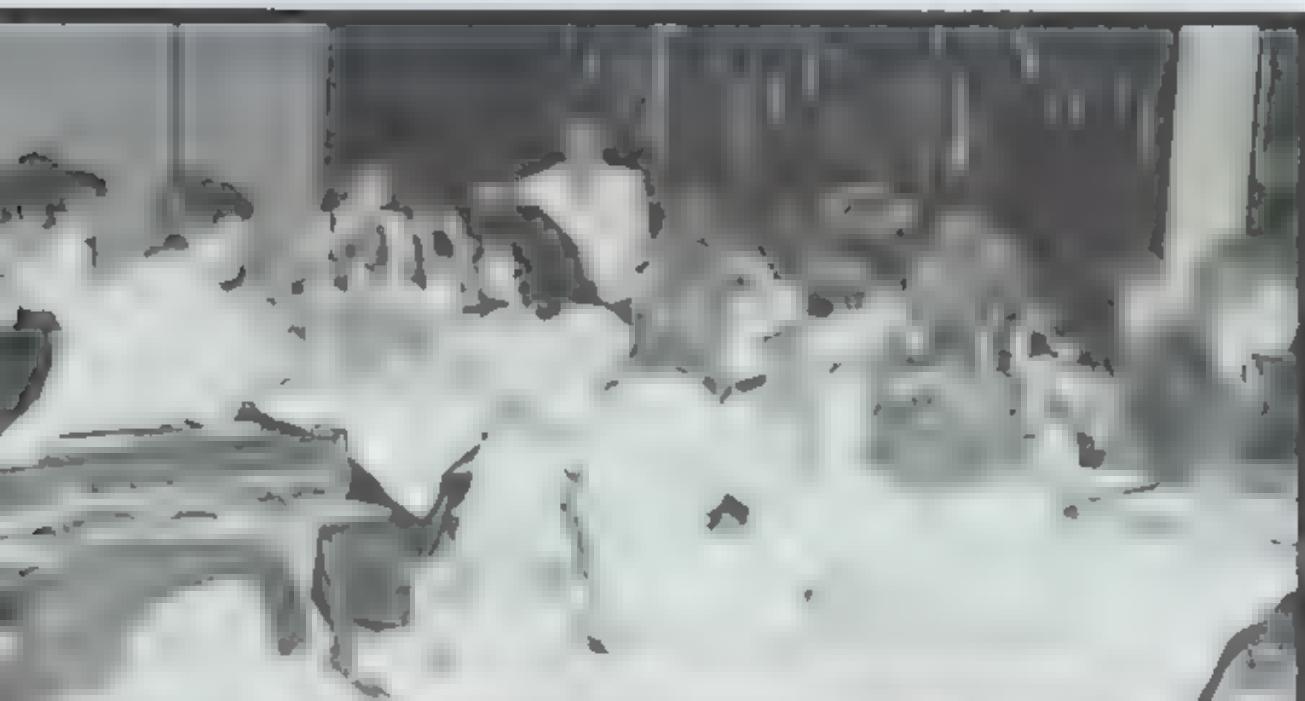

At 1:00 A.M., WHEN everyone got out of their formal wear, many people attended the After-Prom at the Market Square Bowling Lanes. Prizes were given, including television sets and money.

All in all, May 8 was a great success. Many people agree that this night was one of the “Best of Times”.

With three years down and one to go, juniors were eager for school to end. With advisors Mr. Robert Tyner and Mrs. Bedeva Bowling, the class sold \$13,000 in magazine sales.

Under the leadership of President Phil Johns and Vice President Greg Yost, they were excited to get going in the right direction. Keeping minutes of the meetings was Secretary Martha Hinkle with Treasurer Trina Snider handling the money. As new upper classmen, juniors received their first big situation of responsibility, THE PROM! They worked really hard and acted as a unit when class participation was needed. Near the end of the school year the juniors were looking forward to becoming seniors and making their finale at Delphi Community High School.

## Frosh mem en

Many new faces were seen in the halls of DCHS during the 81-82 school year. As these students traveled through the halls, they saw new teachers, found new friends, and realized what it is like to be the underclassmen of DCHS. Adjusting to a new school was but one of the problems they faced. Pres. Marsha Cooper, V. P. Kathy Fuller, Sec. Melissa Kennedy, and Treas. Bev Richter led them through the year. Their activities included choosing class rings and selling calendars. Every frosh was looking to the future of 1985 when they would be the "Big Seniors". It sure isn't too far away!

# An Inside Look At

As the students of DCHS went through daily routines of school, work, and play, they seldom thought of heard about the "people behind the scenes." But at the office and the School Administration Building, those very people were making decisions every day that affected each student. The Board of School Trustees met regularly and created policies. The superintendent then instituted procedures to carry out these guidelines.

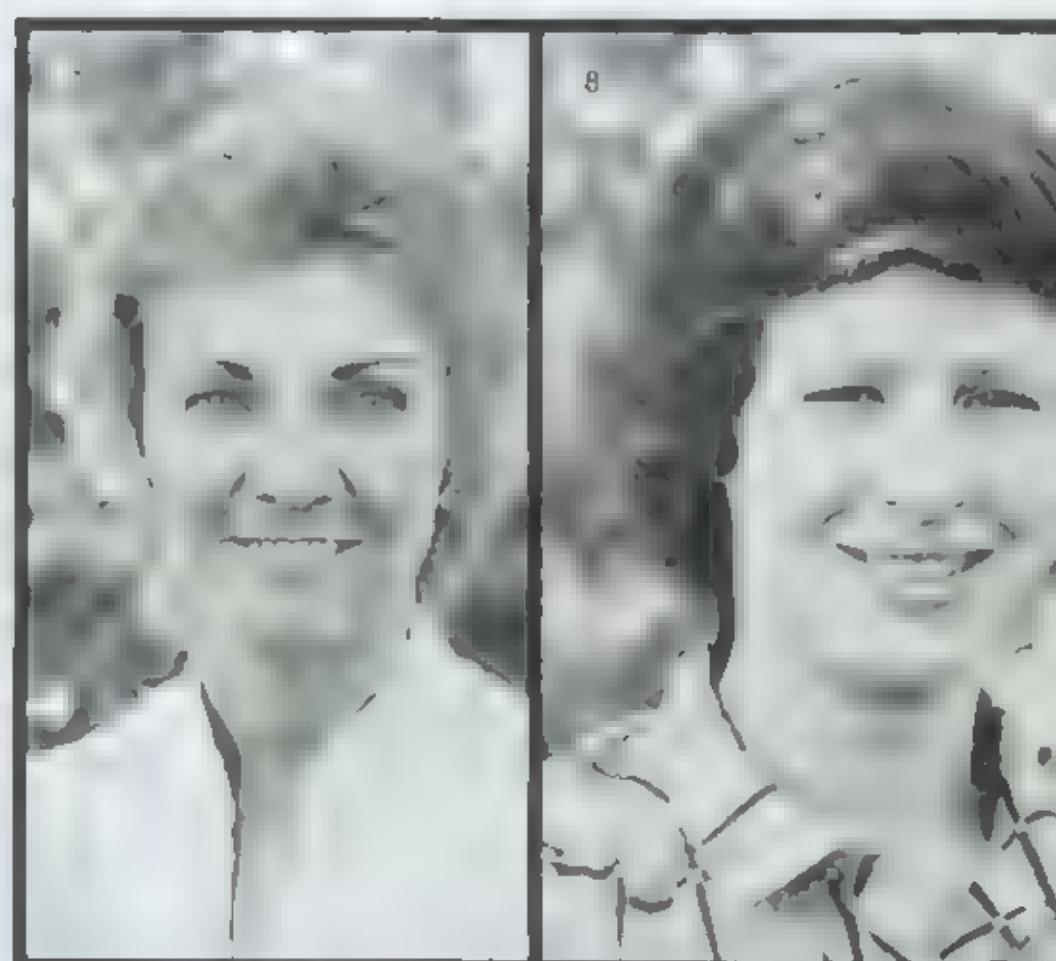

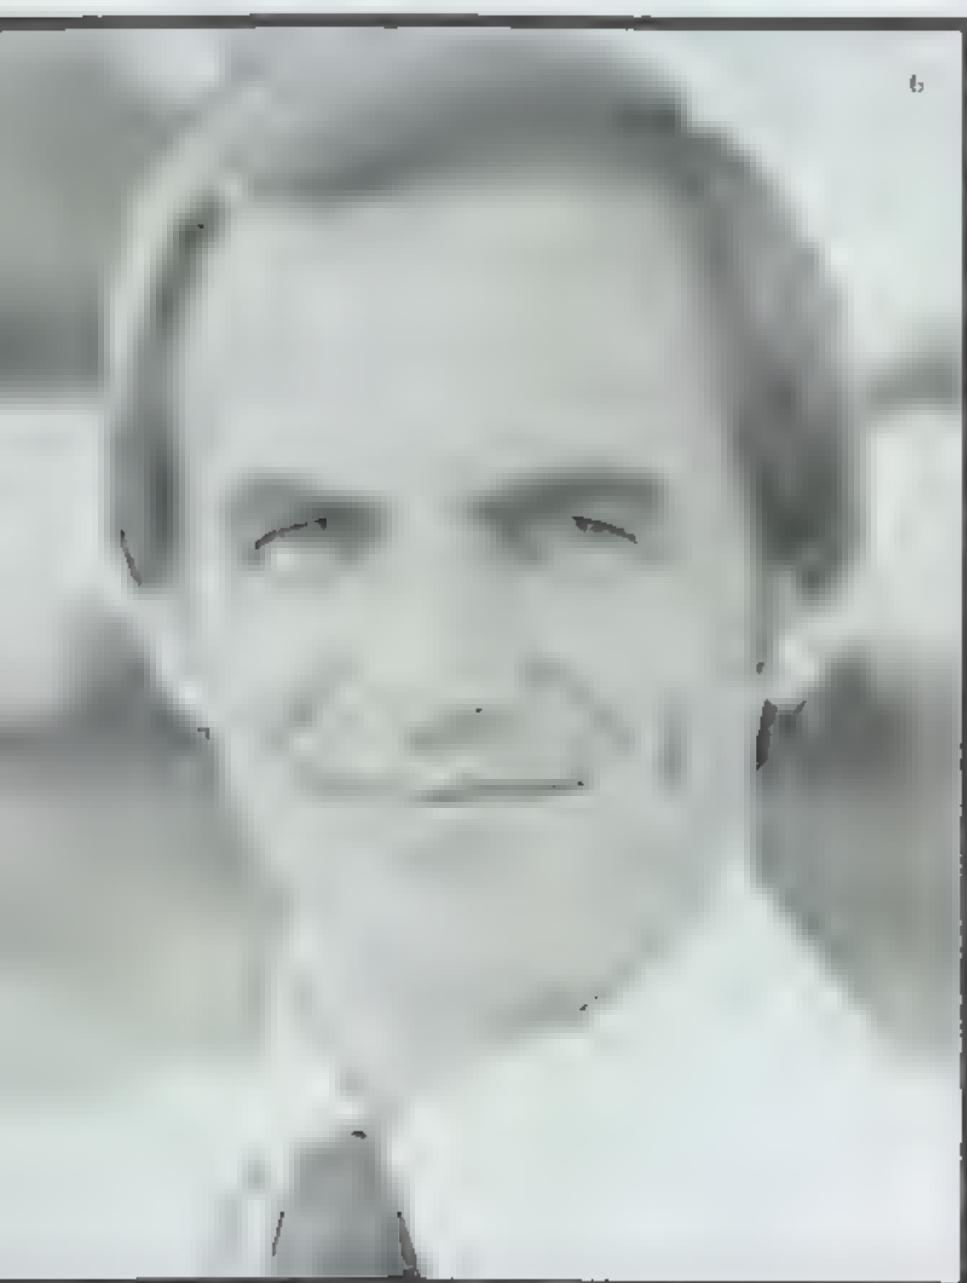

Principals were in charge of discipline and attendance, and rotated responsibilities for such things as text-book rental and extra-curricular activities. With the help of the office personnel, the corporation ran smoothly through the 1981-82 school year.

**DCHS Welcomes  
New Superintendent**

"Making the wheels go round" at DCHS is an intricate business, but the student services personnel worked hard to keep things as uncomplicated as possible. The people in the guidance department administered tests, made out schedules, and were ready to help students with problems both school related and personal.

The school nurse administered hearing, sight, and Tine tests and was on hand when students became ill.

The librarian and her assistant kept books, magazines, and resource materials in order for student papers and pleasure. They were also in charge of all the audio-visual equipment that teachers used to supplement classroom activities.

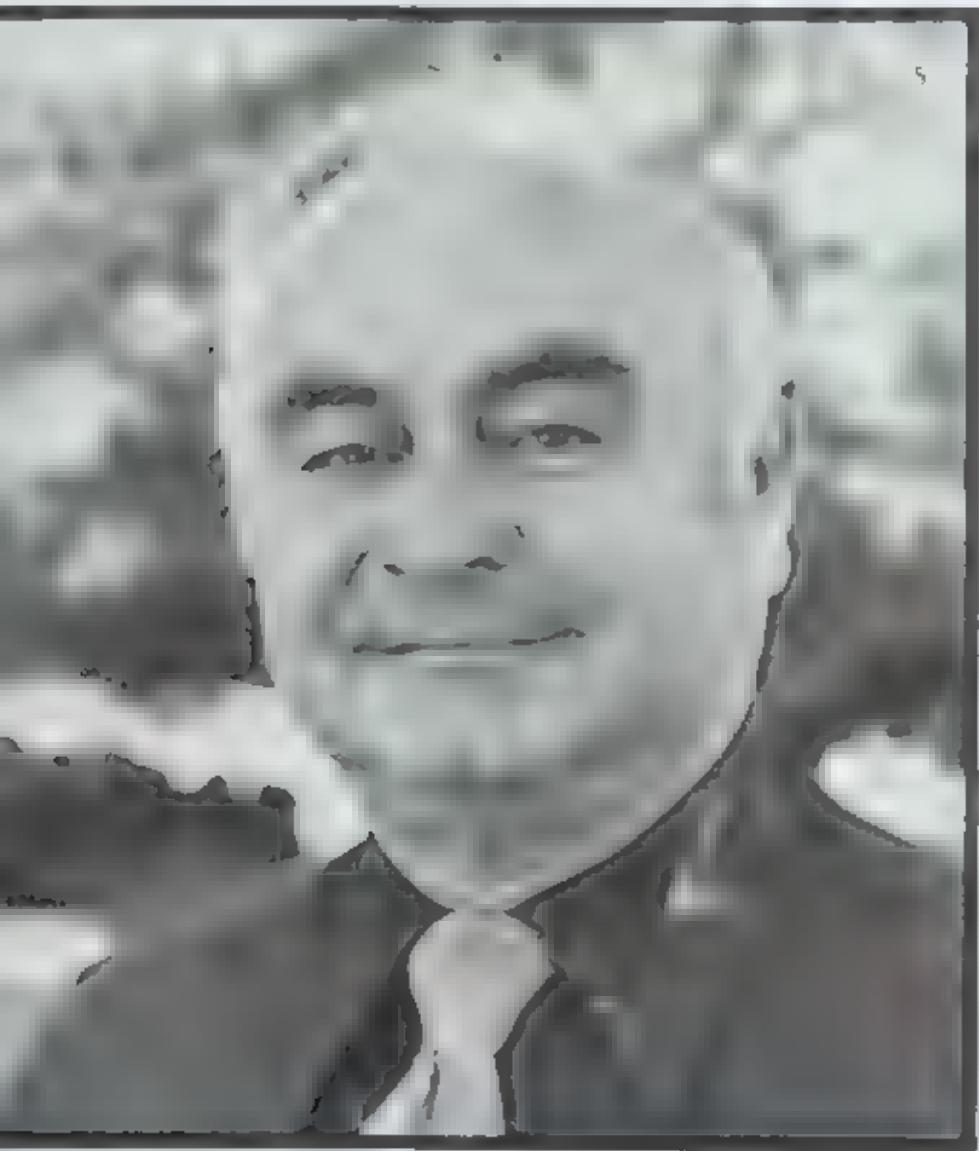

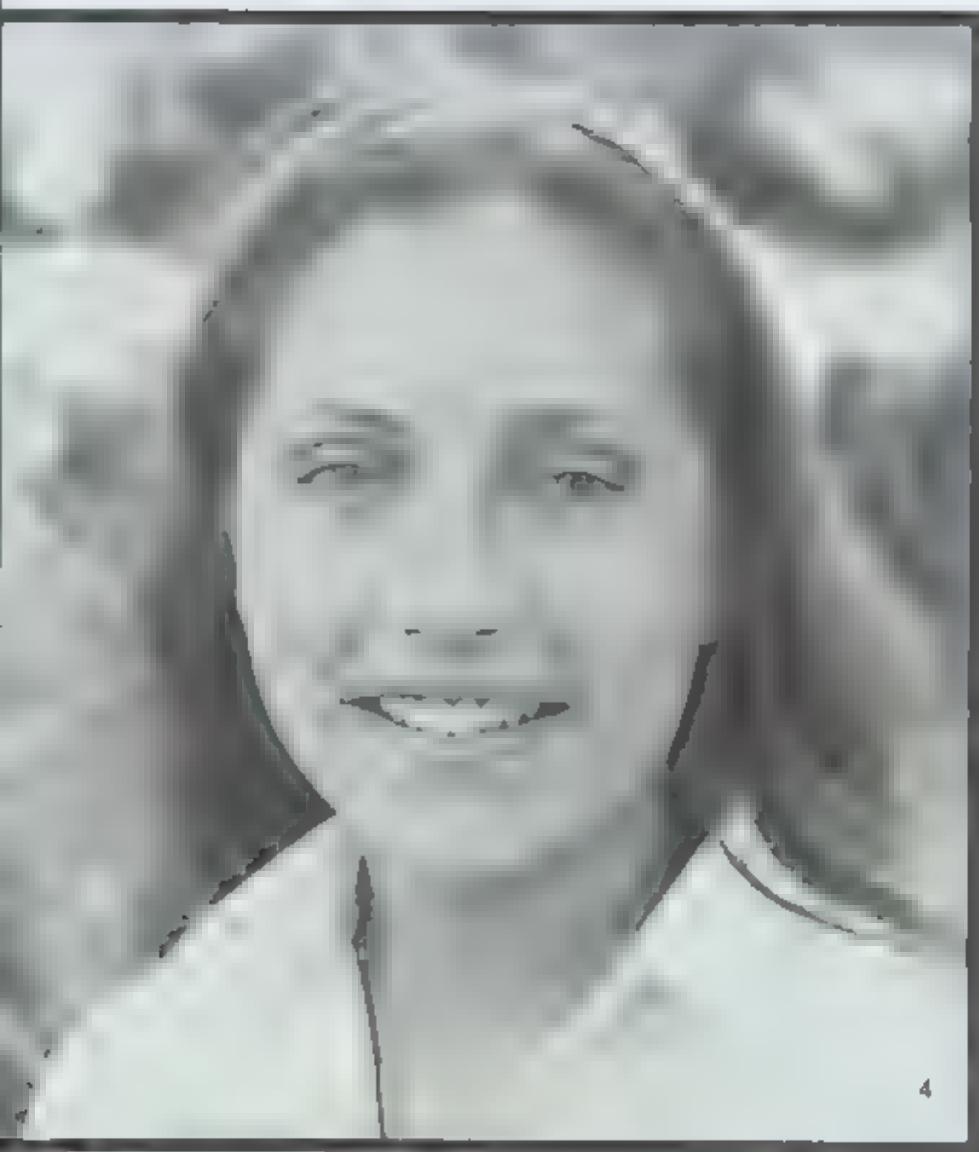

The athletic director was in charge of scheduling athletic events, taking care of tickets, securing referees and umpires, and all the other things that make athletic events enjoyable for students.

In the classroom, students laughed with, listened to, and learned from the faculty of DCHS. Teaching subjects as old as history and as new as floriculture, and as varied as mathematics, the faculty contributed, perhaps, the most important part of the students' academic careers: an education to prepare them for the future.

# The Band Marches On

3  
This year was a very exciting year for the band. Under the direction of Mr. Royce Armstrong, the band attended two parades in the fall. They went to Attica for the Potawatami Festival. They also went to Rensselaer to march in St. Joseph's Homecoming parade.

Leading the band across the football field were twin drum-majorettes Suzi Alvarez and Paula Stone. Suzie Darnell also caught many glimpses from the audience as she performed her twirling routine. These girls helped the other members of the band in many ways.

The band worked together as a team throughout the year. They did a super job of being organized and being ready to give the audience a half-time performance that they would never forget.

## BAND DANCES AT HOMECOMING

# HALFTIME ENTERTAINMENT

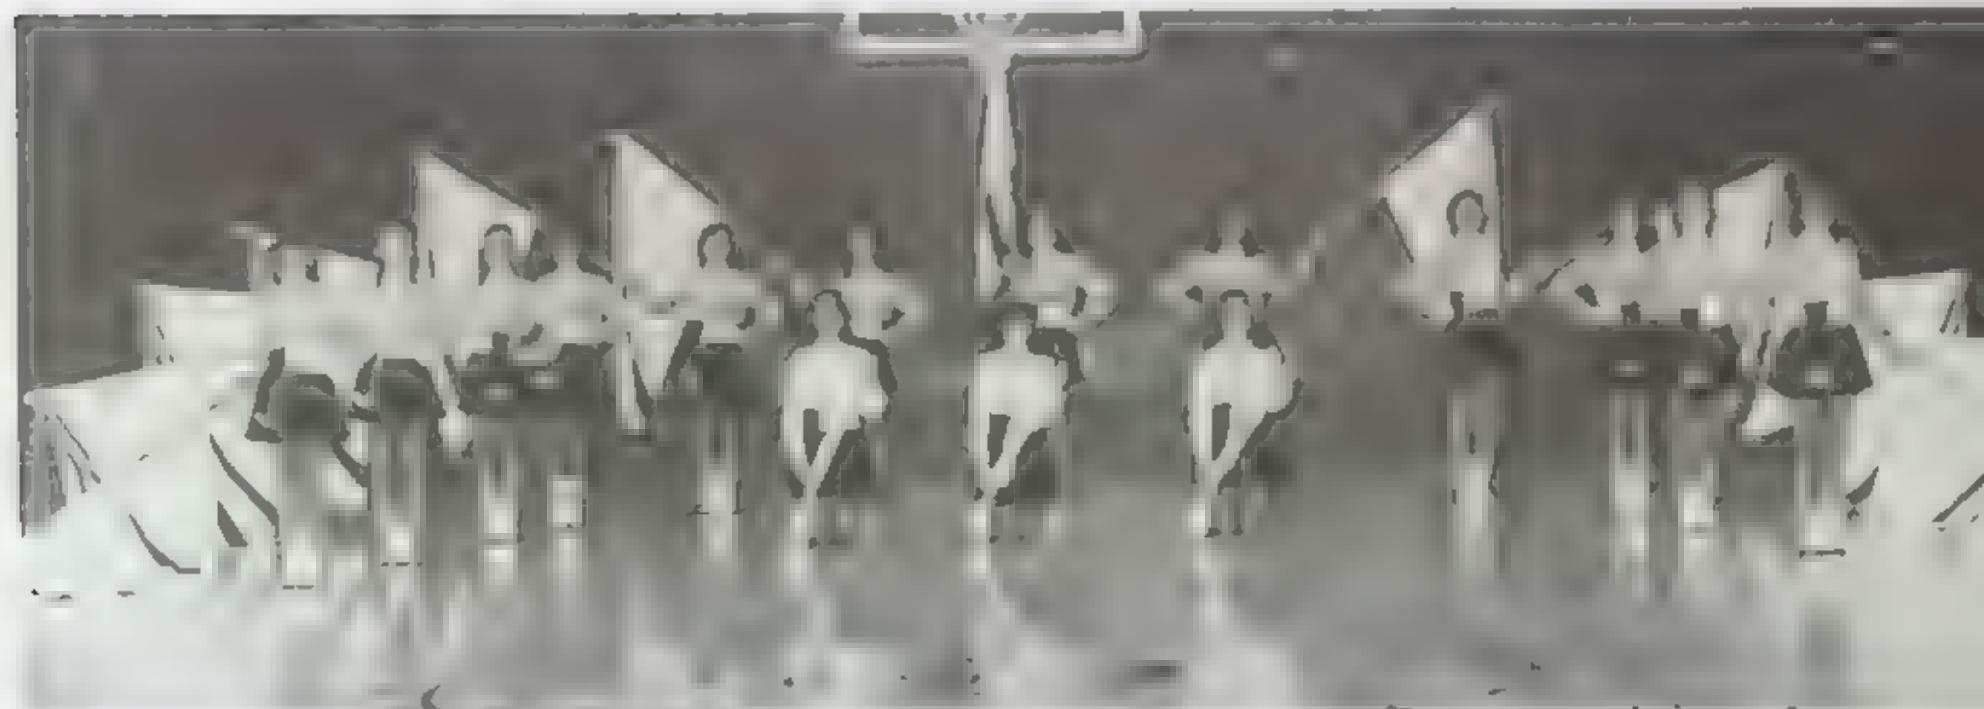

During halftime flags flew, rifles turned, and poms shook as the 1981-82 Flag & Rifle Corp and Pom Pon Squad went into action providing entertainment for the crowds.

Under the guidance of advisor Mrs. Teran Armstrong, the 20 girl group had practice everyday during school. With all this practice it was no wonder that the squad had one of its best seasons yet. The workouts were kept under control with help from the four captains: rifles, Christy Brovont;

flags, Amy Brosman; and pom pons Regina Stovall & Susan Overholser.

## We Got The Beat . . .

Everybody get off your seat — and they did! The 1982 pep band added just the right "beat" to get up the crowd's spirit, enthusiasm, and pep.

Throughout the basketball season the pep band played in between games and at halftime for the pom pom girls. During school they played for pep sessions as the students chanted "Onward Delphi", and they added the background for 'Go Big D'.

# ENTERTAINERS TEAM UP . . .

The 1981-82 Entertainers received many compliments for doing just what their name said . . . entertaining!

They sang and danced for various clubs and organizations including The Chamber of Commerce, The Rotary Club, Pizza Hut, and The Ladies Auxiliary. They

also entertained people at many school events.

**Stardust**, the girls ensemble, sang before the Entertainers at each engagement. This was very important because when they did well, it was much easier for the Entertainers. Of course, they never had a bad show.

The combination of these two groups delighted all of their audiences. To sum it all up, with the new songs and dances, it was a challenging and exciting year for these very talented students.

This was a challenging year for the frosh and the A Cappella choirs!

One big project was the fall musical in which the singers played the townspeople. Next came the Christmas concert which brightened everyones holiday spirit. In March, the choirs joined three other school at North White High School for the annual Bi-County Music Festival.

Following the festival, the choirs prepared themselves for readiness in April's Oracle Bandstand.

It was an exciting experience for the 1981-82 choirs and it will be one not soon forgotten.

# O. E. A.

**O.E.A. Office Education Association — and education it was.** The members kept quite busy preparing for the regional contest at Frankfort, and did very well. The club sent two members to the state contest. Pat Vaughan went after placing first in Stenographic II. Denise Mohler received a second in the receptionist event. Christy Flora and Marcieta Marrow both placed in the regional. Other members in the Frankfort event participated in job interviews, advanced typing, and accounting.

To help add fun to the Homecoming, the club had a dance following the game. In December, they had a Christmas party; and a few months later, they raffled-off Easter baskets for their money-making project.

As one can see, it proved to be a very good education for the members of O.E.A.

## All Aboard! River City

Next! Although a near disasterous dress rehearsal came the night before the production, the cast, directors, band, and crews all pulled together for three excellent shows.

The musical began with a train scene which gave the bouncing salesmen many laughs. As the play went on,

Harold Hill, with help from his old partner, Marcellus, conned River Citizens into buying instruments.

Later on, another salesmen, Charlie Cowell, (with help from the mayor & school board) was tracking down the fast-talking Hill who had fallen in love with Marian, a stuck-up librarian who was

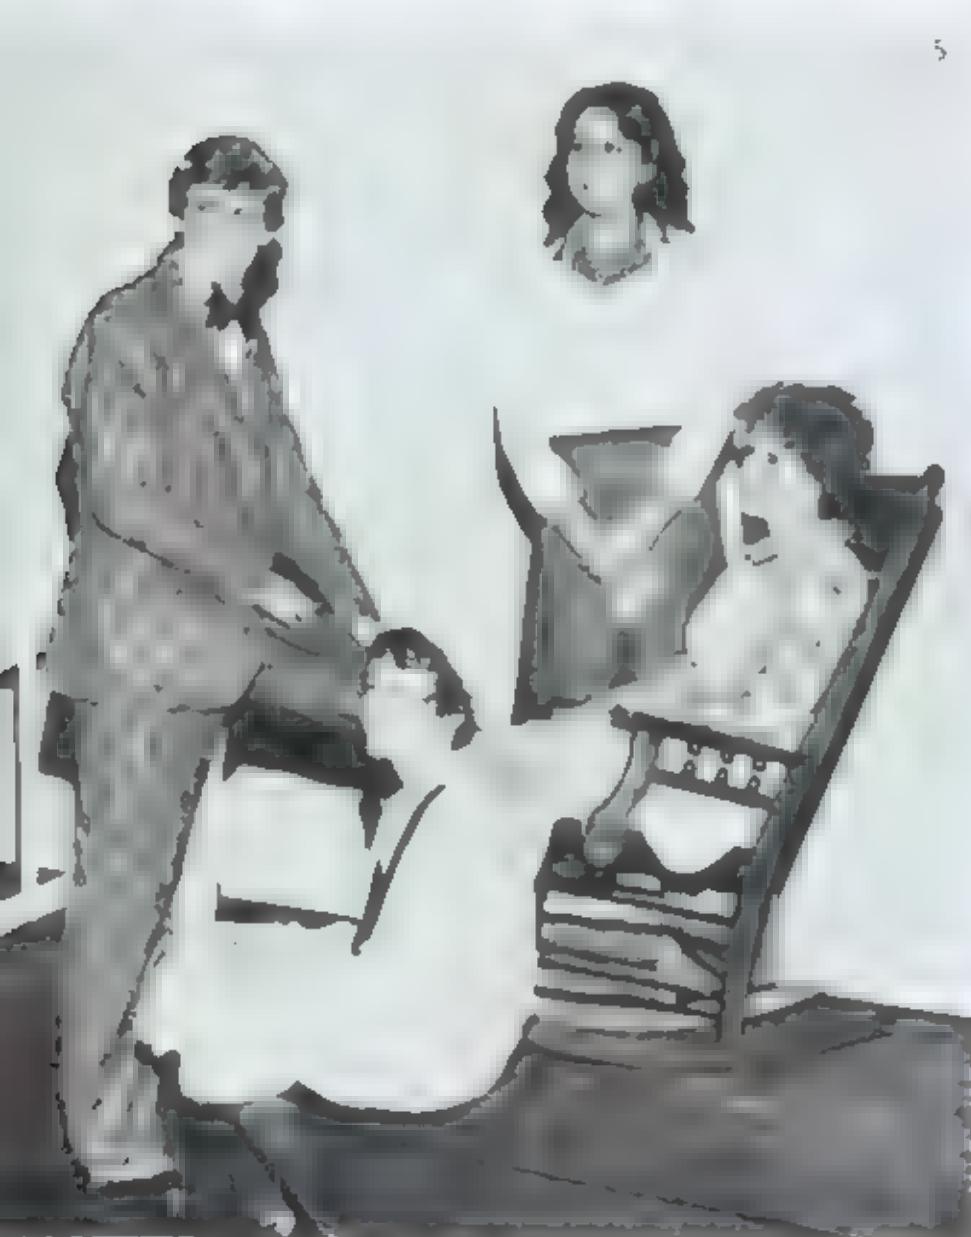

always hassled by the pick-a-little ladies. They were about ready to tar and feather Hill when the long-promised uniforms arrived. Everyone was amazed when the band, using the "Think System", hit its first note. Hill was congratulated and he and Marian lived happily ever after. pj

# A TASTE OF

The 1981-1982 Spanish Club members received a taste of Spanish culture this year. First year members struggled through this new language, while second, third, and fourth year students spoke fluently. Members enjoyed Spanish songs when the group went caroling through the DCHS halls. A taste of Spanish is exactly what they received when fixing an exotic Spanish meal. A large taste of the foreign culture came when Mr. Paul Kahl showed slides of Spain, and Mr. Lorenzo Aragon, former exchange student from Nicaragua, talked about his country's customs. As you can see the Spanish Club enjoyed a LARGE taste of their new foreign encounter.

# Students Learn Of Europe

German Club was made up of students who have had German I or II. They met on a regular scheduled basis in Ms. Lewellen's room to discuss what they wanted to do. The club had carry-in dinners and had a slide show of the trip to Europe that some of them went on.

Their leader, Ms. Lewellen, presided over these events and once a year when there was enough students interested, took a group to Europe. There they come face to face with European culture and hospitality.

## The Paper Must Go To Press

Not many students realize what it takes to put out a paper, but with Mrs. Alvarez in charge the small staff made it appear easy. They spent countless hours after school tracking down stories and taking pictures.

They started the year with learning about publishing, writ-

ing, and laying-out the pages. They applied this knowledge throughout the year. FKC

# Student Council Aids School

Student Council is a group organized to represent the student body. Under supervision of Mr. Joe Seurnick, the club accomplished a lot of work in the 1981-82 school year.

Running queen and class officer elections were just a few of the tasks done by the members. No one really knows how much preparation is put into these activities except the members themselves. Preparing for homecoming and selling carnations on Valentine's Day, are the main jobs throughout the year. A lot of hard work and dedication also goes into getting the Christmas decorations put up, typing ballots for upcoming elections, selecting convocations for the 1982-83 school year, and preparing speeches for special occasions.

# Young Teachers Learn A Lot!

For thirteen seniors their childhood didn't seem quite so far away when they returned to the elementary and junior high schools. Only this time they weren't there to learn, they were ready to teach. Under the guidance of Mr. David Beale, the exploratory teachers met regularly to discuss the trials and tribulations of being a student teacher.

# PUT A LITTLE SUNSHINE

Put a little Sunshine in your life, was exactly what members did all year ... they used club activities to help brighten people's lives.

Members started spreading sunshine with a Halloween Party for the Purple Turtle kiddies; an initiation for the new members; Christmas Caroling, with a little friend, around the community; and a tea honoring the members' Ideal Ladies. The girls entertained their fathers at Daddy Date Night, and enjoyed a shopping spree with their mothers. To raise money, they sold Cheese and Sausage, and had a Rock-A-Thon in the spring.

### A Helping Hand

What does Youth ARC stand for? Well, just ask any member of Youth ARC and he or she will say "Youth Association for Retarded Citizens." This club helps the special people of our society by doing such things as sponsoring the Special Olympics and having parties for those people in our community. Members gain a sense of satisfaction knowing that they are helping others. The future looks to be bright and busy for those who participate in the Youth ARC club.

# HOSA

An Inside

Look At

Medicine

Many things were new to DCHS in '82; new students, teachers, buildings and even clubs. One of the new clubs was HOSA. HOSA stands for **Health Occupation Students of America**. The club members weren't sure at first about what they were supposed to be doing, but as the year wore on they became more enlightened. The club saw a lot of action. Members were almost always on the go. They made a trip to Trafalgar,

IN, for a weekend seminar on medicine. After that they journeyed to Indianapolis to participate in the HOSA State Elections. There, one new member was chosen to represent the State Association at the Youth Power Conference held in Indianapolis, IN. All indications show that this club will grow to be another highly active and successful part of DCHS.

# SMALL IN SIZE

An 8 member DCHS HEY Club was dedicated to their organization. This group was definitely small in size but great in strength.

Leading the club was President Denise Mohler, Vice Presidents Marceita Morrow and Pat Vaughan, Secretaries Dawn Smart and Kim Bradford, and Treasurer Deedra Mohler. Mrs. Bedeva Bowling was the advisor.

April 19 was the date to honor the senior members. At a get-together at Mrs. Bowling's, they cooked out, played games, and had fun. Over all it was a fun and exciting year for the group.

This year's officers were President Trina Snider, Vice President Roger Mays, Secretary Kenny Floyd, Treasurer Tracey Armstrong, Reporters Pat Smith and Guy Selleck, Sentinel Ed Fassnacht, Parliamentarian John Garrison.

A new addition to the FFA was advisor Mr. Ross Striebeck.

# Planning For The Future

Interdisciplinary

Cooperative

Education

DCHS and CHS juniors and seniors who were enrolled in a class called ICE organized a new club consisting of class members. The new officers were: Penny McCarty, president; Rob Strasser, vice president; Melinda Reef, secretary; and Gary Kirk, treasurer.

The class met on Wednesday's for three hours to discuss job-related situations and communication skills.

"All the world's a stage,  
And all the men and women merely players:  
They have their exits and entrances;  
And one man in his time plays many parts."

The members of Theta proved true these words of the famous playwright, William Shakespeare. Through the year, each did, indeed, play many parts. Leading roles on the "stage" of DCHS's theatre department included not only those of actors, but also those of properties manager, assistant director, and lighting crews, to name a few. Theta members, who are required to participate in some way in all DCHS productions, learned and grew in these roles.

Theta was not only active inside DCHS; members also participated in many activities elsewhere. An unofficial costume-Christmas party provided an evening of fun and charades. The highlight of the year was a trip to "The Windy City", Chicago. There club members explored museums and shopped in world-famous stores, as well as attending Neil Simon's humorous musical, *They're Playing Our Song*. For many this was a first and interesting glimpse at theatre in-the-round. The trip concluded with a dinner at a Japanese restaurant where all used chopsticks — what an experience!

In April the club took a day-long field trip to a theatre workshop at Purdue University. After touring the theatre department and attending a shortened version of the current Purdue production, *The Mandrake*, club members participated in mini-classes in acting and lighting. Finally, to wrap up a fun and informative year, the club cleaned out and reorganized the costume room, with more of the costumes ending up on the workers than in the cabinets.

The roles of the four troublemaking Smith daughters, Rose, Esther, Agnes, and Tootie, were played by Marta Rose, Sue Seramur, Diane Brenneman, and Rita Yoder, respectively. Audiences roared as the girls schemed everything from derailing trolleys to throwing bags of water in an attempt to change the mind of their father (Keene Red Elk) about moving to New York, where he has been transferred. Unexpected complications came up when Mr. Smith's boss not only didn't transfer him to New York, but fired him as well because of their escapades.

In the end, everything turned out all right, for both the characters on the stage and the cast and crews behind the scenes. Under the direction of Morris Lee Buck and Assistant Director Connie Yoder, the entire company presented two evenings of marvelous entertainment and were honored with many congratulatory notes from the community and two standing ovations. **mr**

# Introducing The Outstanding

And outstanding they were! Led by President Karla Pearson and Advisor Deb Ephlin, the 31 member Varsity "D" Women's Club raised money to honor exceptional seniors with "D" blankets. These girls had shown their excellence by either earning a varsity letter for three consecutive years in any sport or in three different sports during the senior year, feats not easily accomplished.

The club kicked off its money-making campaign with a cake raffle, and then sold black and gold corsages at sectional time. Also during the sectionals, the club joined the Varsity "D" Men and the Pep Block in "painting up the town" to show support for the boys varsity basketball team.

Members of Varsity “D” Men were required to have a varsity letter in any sport, and then a chevron every year after that. As an initiation, new members, including Advisor Phil Brummett, had to sing the Delphi fight song, “Onward Delphi!” mr

# DE PLANE!!

The 1981 Homecoming — full of color and excitement — was visited by Mr. Roarke.

The theme was Fantasy Island. Activities for the event were three fun-filled costume

days which included everything from Jeff Scott

wearing a muu muu to Miriam Robeson dressed as a gypsy. Students also had their annual pep rally at the courthouse; after many humorous skits, the MR. BIG of football (Coach Tony

Berto) stepped to the platform to assure the fans of the players capabilities.

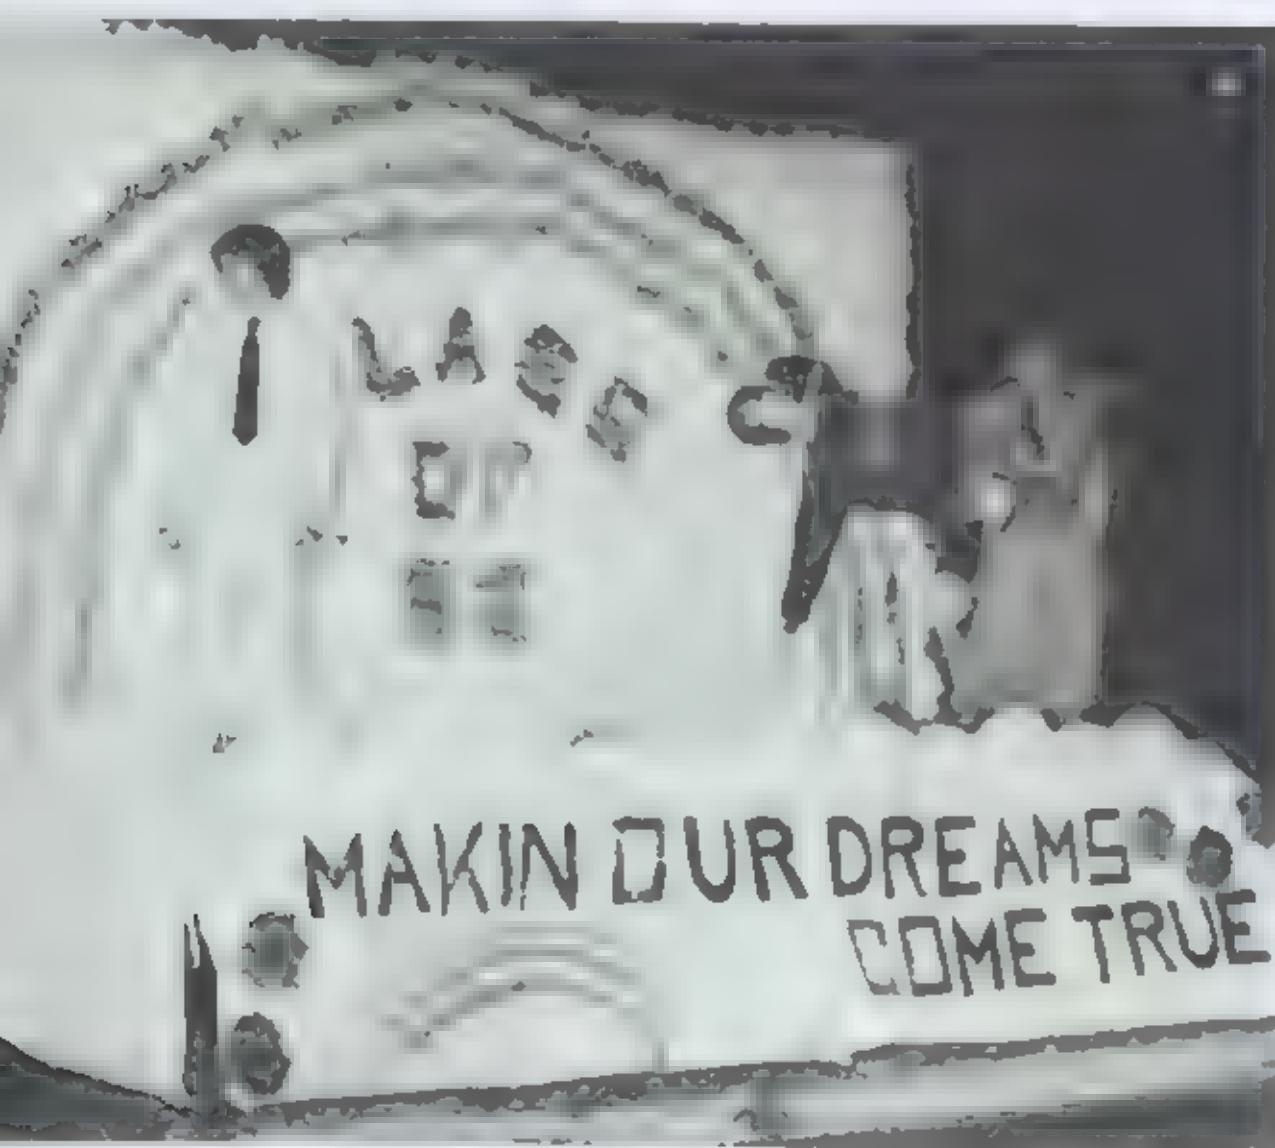

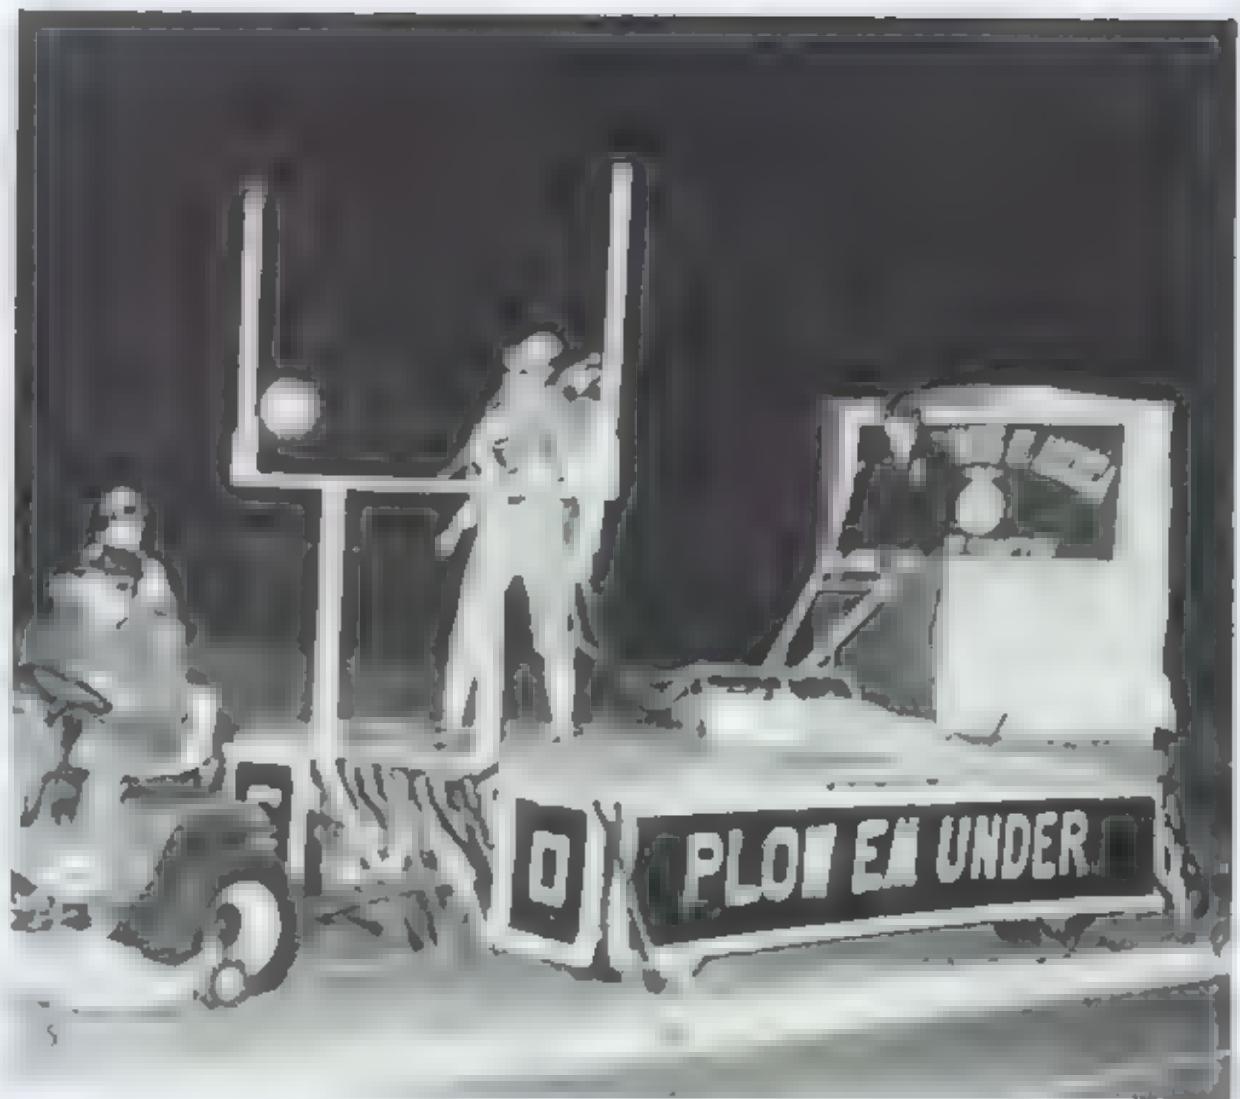

School clubs, as well as classes, participated in a float contest; and once again the float of the senior class was victorious.

All in all, with the creative floats, cheerful faces, and spirited cheers, the 1981 Homecoming was a fantastic success!

# We Got Physical

Everyday after school one could look out on Hillcrest Field and see sixty guys passing footballs, running, and pushing sleds. They were usually dripping with sweat and looking like they were about to drop over. This group was known as the 1981 Varsity Football Team.

The gridders were bound and determined to make this the best season yet. Although they were served a few losses from a number of top rated teams, the squad kept up their Oracle Spirit. They came home victorious, once again, from Carroll Couger Territory.

The Oracles were led again by Coach Tony Berto in his thirtieth year of coaching. All in all it was a rewarding season and upcoming seasons look prosperous.

The determined players never gave up and improved upon earlier mistakes. Though with only a few juniors, the remainder of the team being sophomores, next season should produce better results.

Combined with an enthusiastic coaching staff, one can see why the reserves were always fired up throughout the entire season.

# Small But Powerful

"Size and strength aren't all that counts" was the philosophy held by the freshman team. They made up for what they lost by using their overwhelming courage and enthusiasm for the game.

# Cross Country Sets Record

The 1981 Harriers experienced a lot of change this year. Running under a new coach, Greg Lighty, the team also had girls running in their own races for the first time. Because there were only two girls, they didn't have their own team; however, sophomore Terri Roberson did

qualify to go to the regional at La Porte. Coach Lighty said he hoped word would get around and more girls would try out next year. On the boy's team, junior, Toby Yates broke a school record, running the 5000 meter race in 16 minutes, 45 seconds. mrt

Advancing to the state tournament was Senior Kristi Campbell where she got to compete against some of the best golfers in the state.

# 1981 Tournament Champs

The spikers opened the season with three veterans and six newcomers. The first idea of coach Karen Tiede was to get the girls in shape. Lifting weights, running stairs and jumping bleachers was coach's way of shaping up a great team.

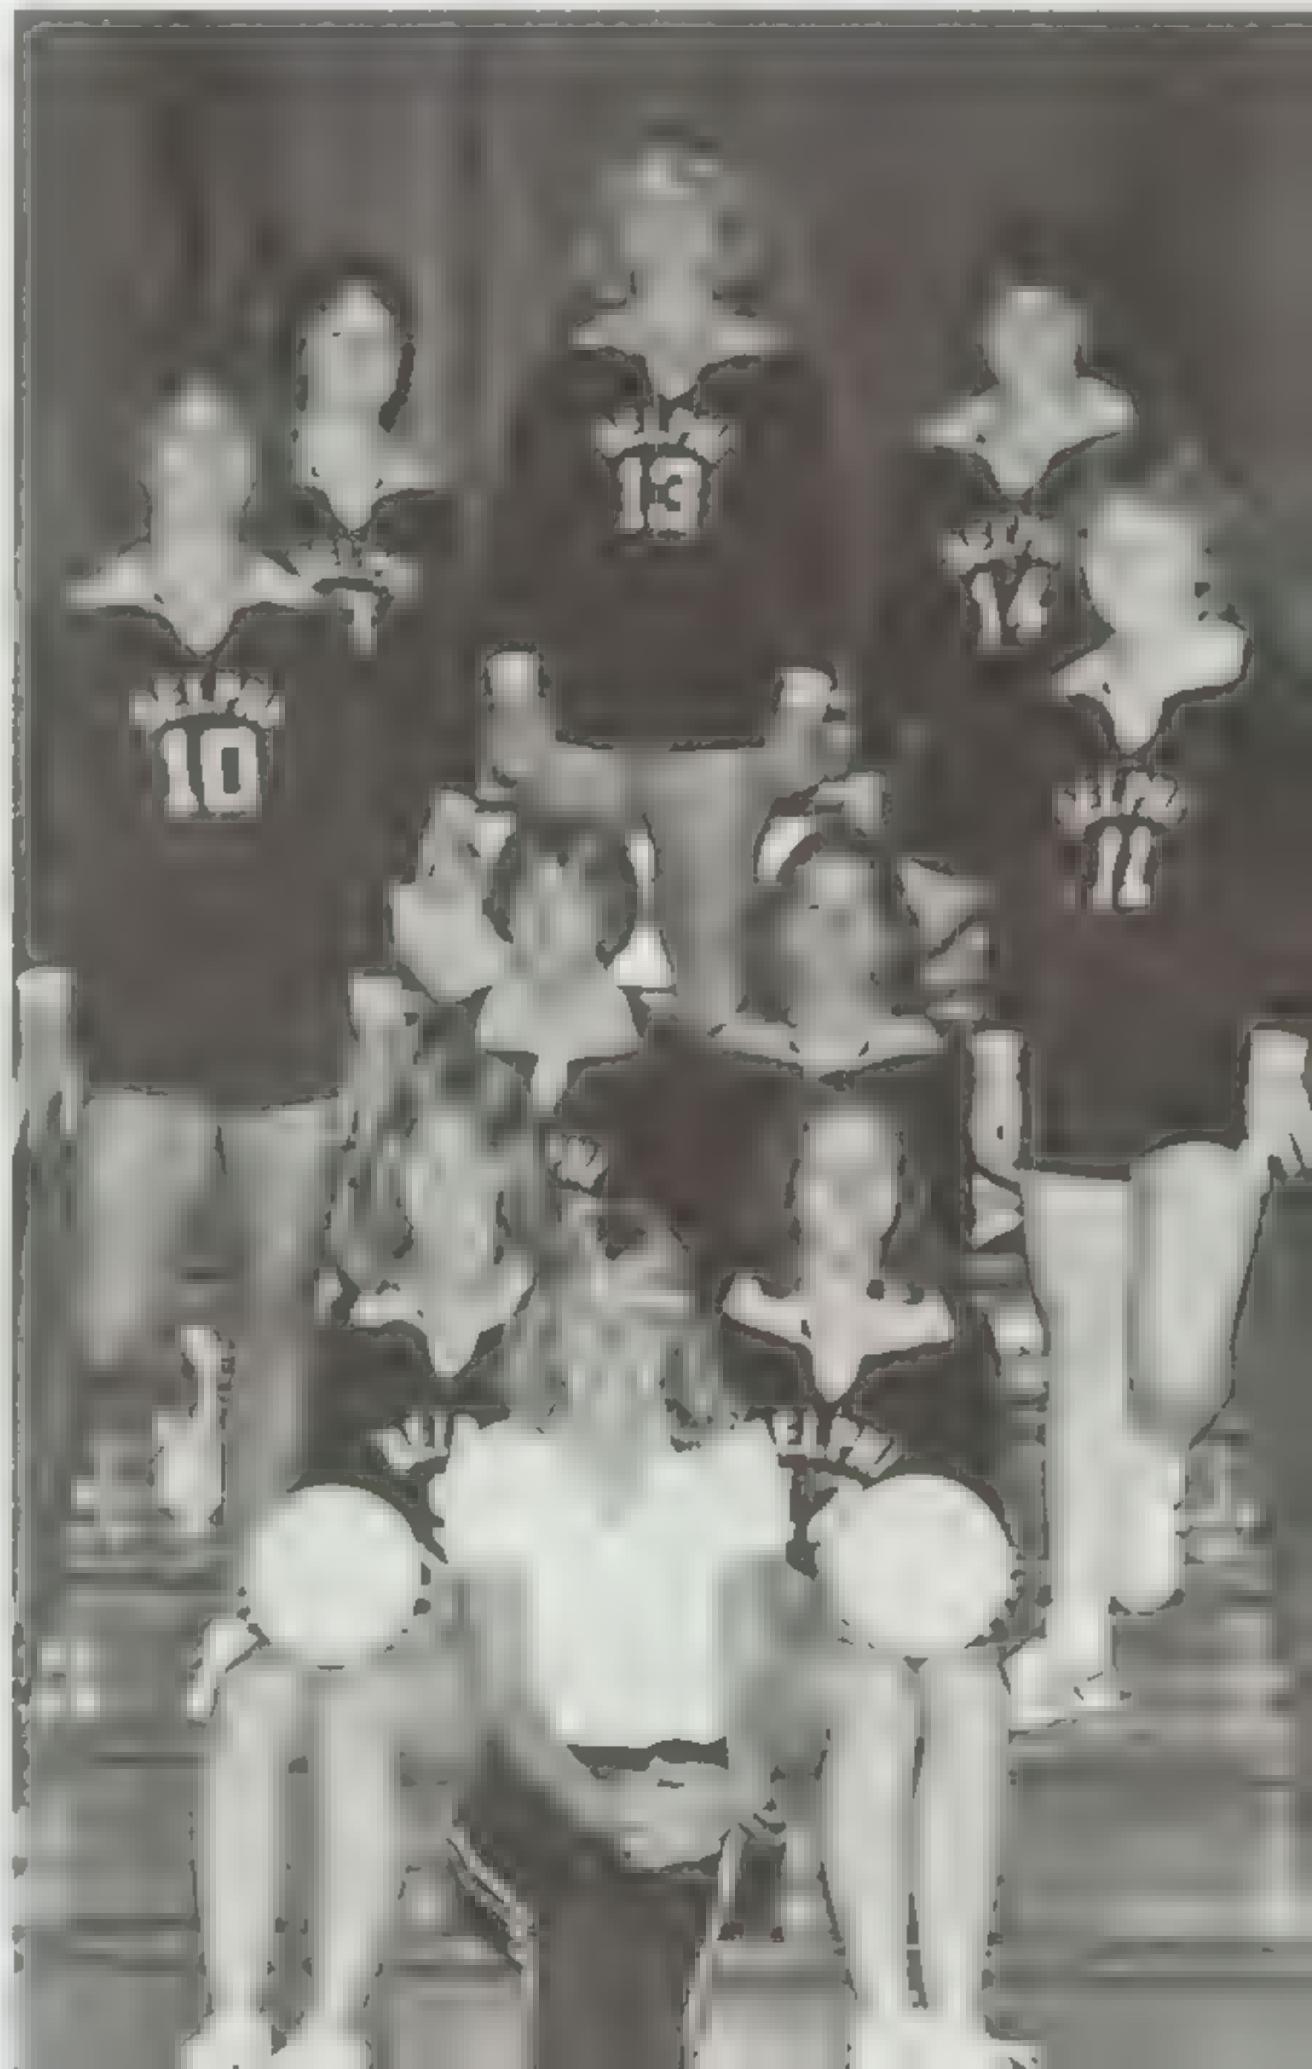

For the first year, the Hoosier conference had a preseason volleyball tournament. This gave the squad a chance to play and see all of the conference teams in action. The competition helped the team a great deal.

The highlight of the season was winning the Tipton Inv. on the Blue Devil's home court. Three varsity squad girls made the all tournament team: Karla Pearson, Sue Seramur and Tricia Starbuck. SKs

The Junior Varsity was short in height but tall in spirit. Starting the season with three close losses, the team prepared for a comeback. The squad was young but steadily improved throughout the season.

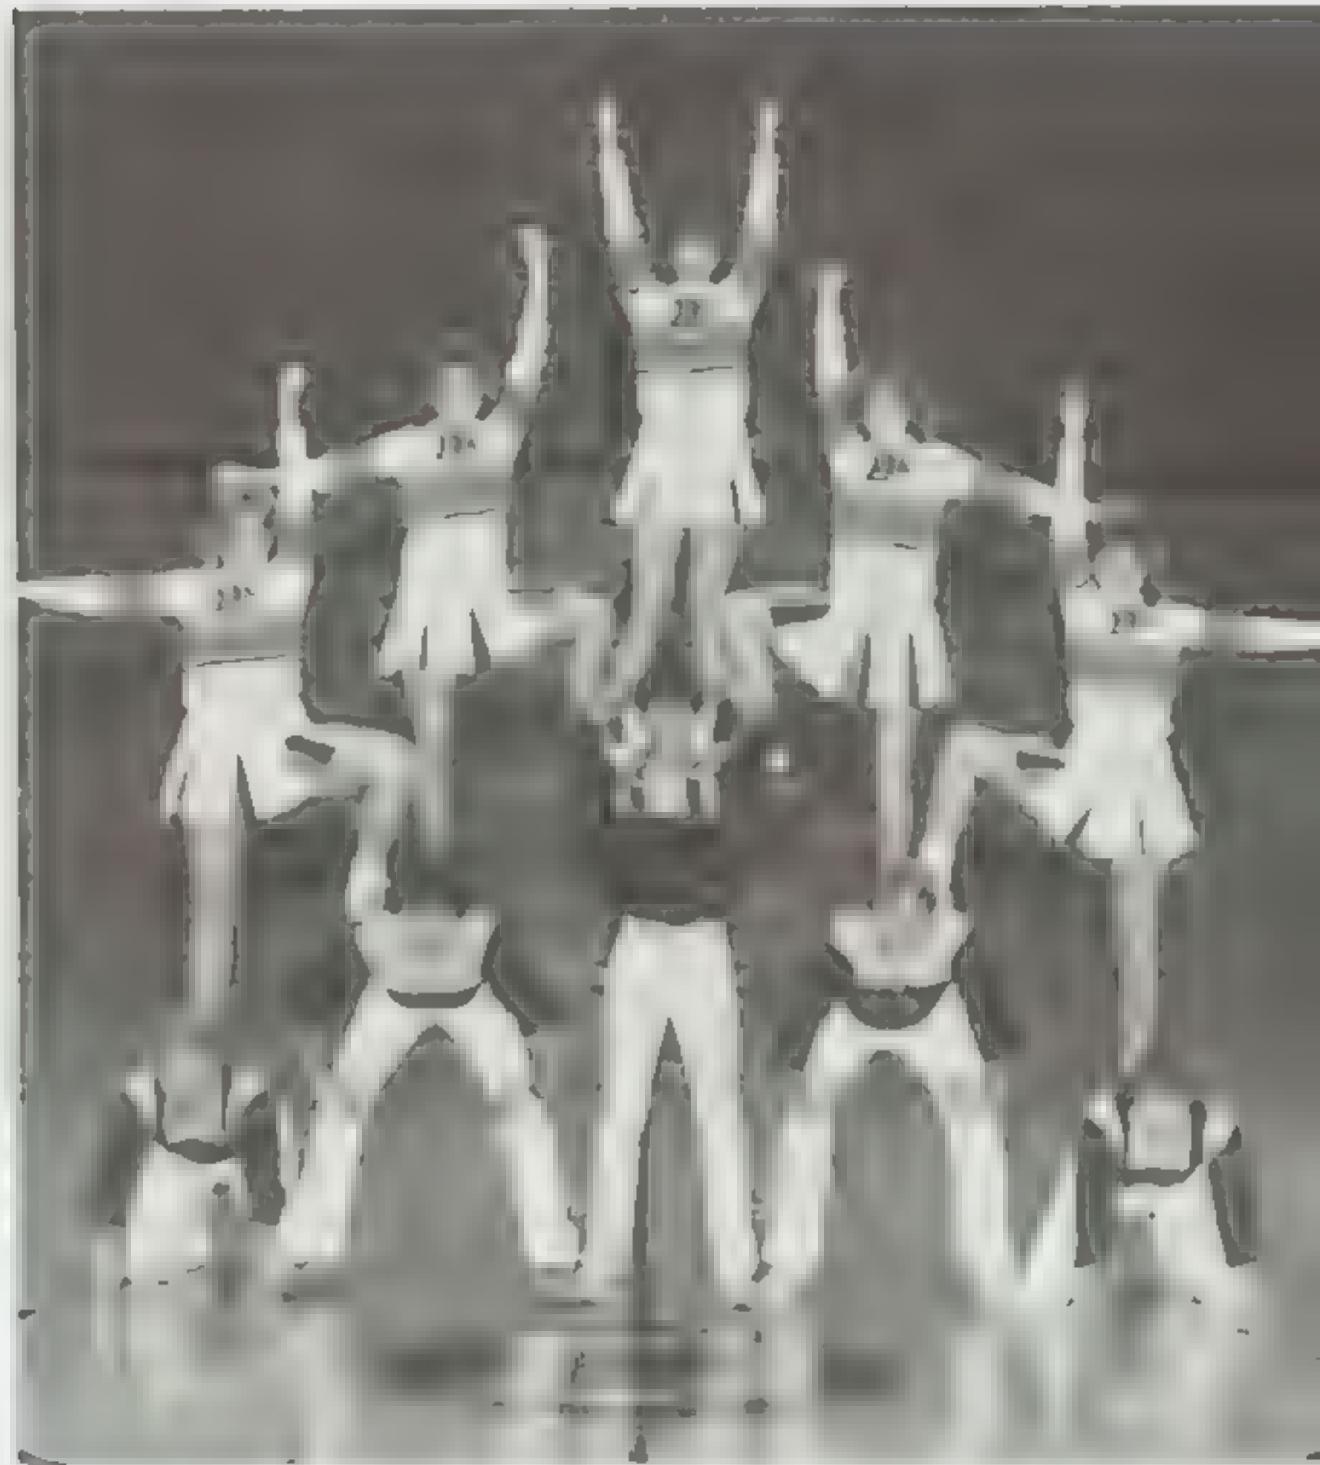

Along with the Varsity, the JVs also took home a trophy from the Tipton Invitational. The girls had to work very hard for such an award.

Ending the season with a 7-13 record, the girls will be counted upon heavily next year.

# Pep And Pride

Pep, Pride, Drive, and Determination were words that the 1981-82 cheerleaders used to describe their season. Fired up and ready to go last summer, they were off to Ball State University for the USCA Cheerleading camp. The squads came back with new cheers, chants, and yells.

Homecoming brought on three days of the wildest of costumes as everyone traveled through Fantasy Island and embarked on a journey to give the McCutcheon Mavericks a daring football engagement.

Basketball came and the Pep

Leaders entered enthusiastically. Their pride was definitely with the Oracles. During the basketball season the Varsity added five men to their squad known as "Mountmen".

Junior Varsity Cheered their teams on throughout the seasons and helped the varsity squad in many ways. All four of these girls had already been introduced into cheerleading at DCHS.

Newly introduced into the high school cheering section were the freshman. They helped cheer at varsity and junior varsity games throughout

the seasons and were a great success at their own games.

All of these girls became the very best of friends by the end of the season. They had also become very good friends with Advisor Miss Debra Ephlin and her newest assistant Mrs. Beth Theobald.

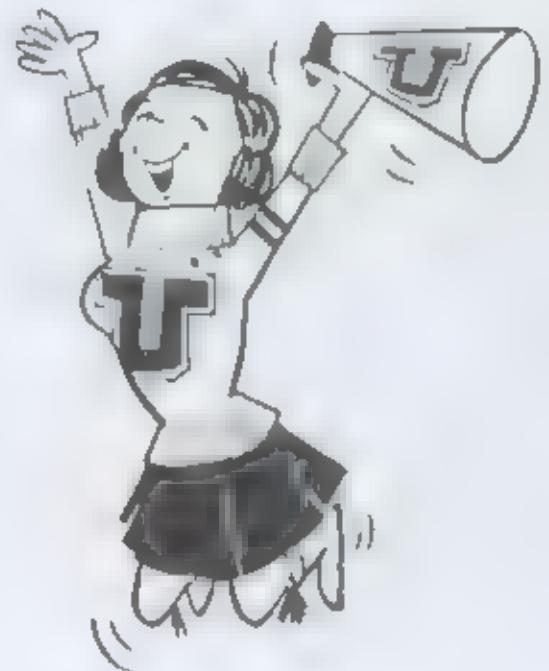

Everybody's hard work paid off through the entire season. Valuable experiences were gained and great friends were met from area schools during cheering season.

## We Want Two!

With new Head Coach Mike Jones, the Oracles performed heroically. The team captured the hearts of the Oracle fans with their scrappy and never relenting play. A 14-8 seasonal record gave the Oracles something to be proud of. The squad was a young and strong one with only four returning seniors. They worked hard and the result was an efficient and well oiled machine. Coach Jones handled this machine well and produced some exciting and excellent play. From looking at the 1981-82 season you can tell that the future will prove to be very exciting.

With a record of 13-7 (the same as the varsity's record), more and more fans came to watch the opening show.

The team brought a lot of excitement into the gymnasium, and many times got the spectators so rowdy they had to calm down and rest for the varsity game. With their close, dramatic finishes over some tough teams, the D.C.H.S. JV showed the fans what **Hoosier Hysteria** is all about.

## BASKETBALL FEVER — CATCH IT!!!!

Although the frosh basketball team finished with a 5-11 record, three of those wins came from the Hoosier Conference.

Hard work, dedication, and determination impressed coach Alan McConnell, as he coached his first freshman team.

Coach McConnell stressed that defense was the key to a good team; and this was evident because all the teams they fell to, most of the games were lost by only five points or less. They also limited many teams to very few points.

It was a year for learning for both the team and coach; and will prove itself as a year to gain experience in seasons to come.

# SMALL IN QUANTITY — LARGE IN

The theme "Small but Mighty" led the girls swim season. Unfortunately they were not quite mighty enough for they went the entire season without the scoreboard proclaiming them victors. All the work was not in vain for many of those who compiled the team posted numerous personal victories. Victory to a swimmer is not only beating her opponent, it is also

whenever she lowered her time; whether breaking the eight minute barrier in the 500 free or setting a school record. Along with broken records a new face to the pool surroundings was Miss Claudette Etter who took over the head coach position with veteran mentor Alvarez assisting.

Junior Varsity and Freshman coach, Mrs. Beth Fetters, was new to D.C.H.S. So were many of the players; the J.V. team consisted of all but one freshman. But these girls didn't let a new school or lack of experience stop them! Enthusiasm was the name of the game, and hard work was the key to success. And this young team obviously had both. In the end all those long hours of practice and that never-give-up attitude paid off; the J.V. team boasted a winning season of ten and six, while the Frosh team had a victorious three and one record. mr

The team captains were Rob Strasser and Alan George, who won the sectional, placed second in the regional, and lost a close match in the semi-state, all at 132 pounds. As a team, they placed third in the conference, second in the sectionals, advanced nine wrestlers to the regionals, and sent one wrestler to the semi-state. Coach Phil Brummett and Assistant Coach Ross Striebeck stressed running and weight lifting throughout the season. Coach Brummett said, "The team improved greatly from last year." The "word" for the year was **POWER!** Although the varsity didn't blow away every team they faced, they did leave a big dent in the opposing pitcher's ego! Just when things began to look grim for the young Oracles, the bats would go to work. When the fans of the sluggers watched a game, they could always expect to either see a ball go over the fence, or they would see one get very, very close.

We hope that the 1982 Oracle meets your every wish. We, as editors, have tried to compile all the events of the year so that you may have them for the rest of your lives.

The 1982 Oracle volume number is 46. Due to a mixup some years back, we now have the volume on the right track.

We offer special thanks to Mike Floyd for his excellent art work of Omar characters.

We are very grateful to the businesses in our area who have advertised in our book. Without them the 1982 Oracle would not have possible.

We think that the 1982 year was a very memorable one. This year's book is a representation of you, the people who attend and run DCHS. Thanks to all of you for a great year!

### Scenario For a Winner

A winner says, "Let's find out" a loser says, "Nobody knows."

A winner makes commitments. A loser makes promises.

A winner says, "I'M good, but not as good as I ought to be;" a loser says, "I'm not as bad as a lot of other people."

A winner credits his "good luck" for winning — even though it wasn't his good luck; a loser blames his "bad luck" for losing — even though it wasn't his bad luck.

A winner listens; a loser just waits until it's his turn to talk.

A winner does more than his job; a loser says, "I only work here."

A winner says, "I fell;" a loser says, "Somebody pushed me."
